2019 PARENT GUIDE

Dear Parent,

Thanks for allowing us to spend a week of camp with your student. We believe a week of camp creates a spark for life change in every camper.

The focus at Crowders Ridge is all about making sure your students hear the Gospel in a way they can understand it from people they trust. Our staff and leaders will spend the week helping the students at camp understand that God has a redemptive plan for us and desires a relationship with us.

We believe that your influence in the spiritual growth of your student is very important, so in this packet, we've equipped you with all the details to make sure your student's experience at camp is great. My hope is that this information can launch meaningful spiritual conversations with your student about what they have learned.

Expecting,
Jay Oliver
Founder/Executive Director

What's the theme?

The theme for camp this year is entitled Cheat Codes. It is our goal that at the end of the week, your student will be able to understand God's word in new ways, and understand how to immerse themselves in Scripture daily. We've chosen Cheat Codes as a title because we believe that God gave us an upper-hand or a cheat code to understand life when he gave us His word. We used this understanding to build a fun, pixelated, theme for you. We've chosen to style all of our programming to be reminiscent of some video games in ages past.

All of our main session teachings will begin in the book of Mark and will be focusing on parables found there. We hope you will begin to show your child now the promises of God's word.
